Teacher~Shannon Snover

I have been dancing and tapping for decades and I have always loved the energetic and joyful atmosphere of a tap class with the challenging rhythms and combinations, creativity and musicality. I started teaching dance when I was 17, and I have taught all ages from 3 yr. olds - adult classes.

I'm so grateful to the Lord for his grace and mercy and for the many blessings I have received. I'm also grateful to be able to teach your children so they may use their gifts to glorify God.
