STP Policies:

1. The STP registration fee and any monies paid to STP are **non-refundable** once they are submitted.
2. **Non-refundable** registration fee of \$75 is due with the registration form submission. This fee is waived for the second STP class taken by the same student. If one student is taking a theater class and an art class or two art classes, you only pay \$75.
3. Tuition fee of **\$70 per month** per child for the duration of the class from September to May. Additional opportunities to paint sets will be announced as needed and can be used as make-up days.
4. Tuition is due on the first of the month. A \$10 late fee will be applied on the second of each month.
5. Please park in a parking space and let your student walk in from there. Dropping off at the breezeway creates a backup into the street and may cause an accident when cars cannot pull into the parking lot. Parents are encouraged to come in at the end of the class to see our artwork since we usually leave it in the building to dry.
6. Artwork is often displayed in the building for a few weeks before students bring it home. We invite you to attend a show and enjoy the art gallery at intermission.
7. If the art teacher must cancel a class, an email will be sent and a make-up class will be offered.
8. Please wear clothes that you don't mind getting paint on or bring a smock or old button down dress shirt or lab coat. Accidents happen with paint. A lot.
