BEFORE YOU REGISTER

We would ask you to pray and think about the following before registering:

1. Only register if you are SURE God is calling your child to be in STP next year, not just to hold a space. One year we had more than 20 students drop out as September approached. Please understand that this adversely affects our choice of productions, budget, and takes away spaces from those whom God might be calling to STP.
2. It is important to consider **both the class time and production schedule** for the class in which you register. *Things to consider...important family events such as graduations and weddings, school testing schedules, athletic commitments, and other activities in which your student is involved.*
3. The STP registration fee and any monies paid to STP are **non-refundable** once they are submitted.
4. Students must be 13 by the first day of classes in order to register for a 13+ class, but students who are 13 or 14 may remain in a younger class if they so choose.
5. Each year, every class will work toward producing a full-length musical. Classes meet weekly and include a gospel-centered devotion, and instruction in voice, acting and choreography, depending on the director's lesson plan for the week.

Theater Class Fees

There are two costs associated with classes.

1. **\$150 non-refundable** registration fee -- \$75 is due with the registration form submission, and the remaining \$75 is due on August 1.
2. Tuition fee of **\$90 per month** per child from September to May (**\$810**). *Monday 4-8 class tuition is \$75 per month from September to May (\$675)*. Tuition is divided into monthly payments for your convenience. Please be aware that you are registering and paying for a nine-month program.
