Thursday 1:00pm – Liturgical Worship Dance (8 and up)

What is Liturgical Dance?? Liturgical dance is spiritual dance that incorporates music and movement as a form of worship. Like singers use their voice to worship God, Praise dancers use the motions of their bodies to express the word and lift their hearts God. Each class will begin with a devotion and time of prayer. Students are encouraged to share prayer requests, and we will keep those in mind as we praise God through movement. Following our devotion, we will have a time of warm up. Students will learn dance technique that will help with grace and coordination. You do NOT need to be an experienced dancer!

Thursday 2:00pm – Dance Through the 1900s (8 and up)

Fun for ALL ages! Students will have a blast while taking a walk through the history of music and dance in America in the 1900s. Each class will begin with a fun history lesson on the music and stars from the decade we are focusing on that week. They will learn various iconic “Styles” of dance as we listen to music that made each decade unique! Think... Charleston, Swing, Hand Jive, Mash Potato, Disco, and more! Students will also be introduced to the basics in multiple styles of “Stage Dance” including ballet, tap, jazz, and the NC state dance... clogging. This is an amazing opportunity for boys and girls alike to learn some dances they will enjoy forever!

Thursday 3:00pm – Musical Theater Dance (10 and up)

Want to be a triple threat? Add “theater dance” to your bag of skills. Each class will begin with a short, fun history lessons about the playwrights, choreographers, and actors that have made an impact on theater. Students will learn different types of dance movements commonly used in stage productions. They will develop skills that help them move around a stage and other performers with coordination and ease. We will practice combinations that require partnering and formations that require teamwork with other performers.

Shannon Mitchell has been a dance instructor for over 30 years. She loves sharing her love of God, dance, and theater in a way that students find intriguing. As a homeschool mom of two amazing children, Shannon **LOVES** teaching and sharing the gifts that God has blessed her with.

Each of these classes has an educational aspect that goes beyond just dance.

Let them praise his name in the dance:

*let them sing praises unto him with the timbrel and harp. **Psalms 149:3***
